

Registration Information Summer Program 2020

Our Vets in Training Summer Program is a unique experience designed with fun and educational experiences for students ages 7-12. Activities will include animal care, lessons related to the weekly theme, an exciting field trip, presentations, hospital experiences, and a pizza party on Friday. Program space is limited in order to facilitate a more personalized learning experience for each camper.

Our Mission Statement: Through unique, interactive, educational experiences, the Vets In Training Program cultivates the human-animal bond to encourage compassion, empowerment and responsibility. Our goal is to inspire students to positively impact the global community for the welfare of all living things.

Looking for a chance to learn, grow, and have a blast? Be a VIT CIT!

Counselor in Training—This is a summer experience for the outgoing student who loves to teach, learn, and work. One counselor in training will be accepted for each week of our summer program. Cost is discounted to \$200.00 and candidates must apply in writing to VIT@housepawsmobilevet.com with a cover letter and resume. This is a great resume building and leadership experience!

Vets In Training Summer Camp Weekly Programming 2020

Rate: \$420/week

Weekly Programs

(includes all field trip costs and a summer program tee shirt)

Week 1: Companion Animals & Us

☐ June 22nd - 26th

Gain a deeper understanding of the needs of our beloved companion animals and how to best meet those needs.

Week 2: Intro to Veterinary Sciences

☐ June 29 - July 3rd

Want to be a veterinarian when you grow up? Just love animals and want to understand them better? Join us for this fun, hands-on week-long look into what veterinarians do and why and explore anatomy using interactive models.

Week 3: Intermediate Veterinary Sciences

☐ July 6th - July 10th

Continue broadening your understanding of veterinary science through hands-on skills labs, surgery observation, interactive models, optional dissection, and lots of help from our VIT animals!

Week 4: Advanced Veterinary Sciences

☐ July 13th - July 17th

This week is a deeper examination of veterinary science. Learn advanced suturing and dissection techniques, observe surgeries in the veterinary hospital, and much more!

Week 5: Art With Animals

☐ July 20th - July 24th

Explore your artistic side with a week of animal-themed projects, while enjoying time with our furry (and scaly) friends!

Week 6: Exotics and Endangered Animals

☐ July 27th - July 31st

In-depth examination of the exotic animals at VIT and what it takes to be their owner and their veterinarian. Campers will also learn about the plight of endangered animals everywhere. Includes a special talk and Q&A with HousePaw's own exotics vet.

Week 7: Compassion to Animals

☐ August 3 - August 7th

Put your love of animals into action! Interact with the VIT animal crew while experience the joy of bettering the lives of animals through awareness and service.

Week 8: Marine Animals

☐ August 10th - August 14th

71% percent of our Earth is water! Learn about the fascinating creatures that inhabit these oceans, lakes, and rivers through science experiments, interactive lessons, and animal examinations.

Week 9 Animals & Agriculture

☐ August 17th - August 21

Learn more about the friendly farm animals at VIT and examine planting and composting with and for animals!.

Week 10: Say Goodbye to Summer!

☐ August 24th - August 28th

Join the crew at VIT as we celebrate the last week of summer with lots of hands-on learning, crafts, surgery observation, and all the animal time you can handle!

*Parents may attend any field trip!

Additional Care Options

☐ Early Care 7:30am-9:00am, \$50/week

☐ After Care 3:00pm-5:30pm, \$60/week

Available Discounts

☐ 5% Early bird discount for registered and paid in full by March 1st

☐ 10% Attending 5 or more weeks

☐ 5% Attending 2-4 weeks

☐ 5% Sibling discount for attending camp during the same week

☐ 5% Military Discount

Please note - a maximum of two discounts may be applied
